2010 ABA Preparatory Course

Let NSA help you acquire the prestigious ABA credential

NSA's 2010 ABA Preparatory Course has been enhanced to better help you prepare for the Accredited Business Accountant/Advisor (ABA) Examination administered, nationwide, by the Accreditation Council for Accountancy and Taxation (ACAT). This two-part, all-inclusive course follows the subject matter covered on the exam focusing on these topics:

- Practice I: Financial Accounting and Compilations
- Practice II: Business Law, Managerial Accounting, Taxation and Ethics

and includes sample questions at the end of each chapter that provide detailed explanations to the answers as well as an extensive glossary of terms relative to accounting and tax concepts and principles.

- You will receive comprehensive materials relevant for your practice as a business accountant
- You will augment your knowledge in business accounting
- You can obtain the prestigious Accredited Business Accountant/Advisor (ABA) credential awarded by the Accreditation Council for Accountancy and Taxation™
- You can earn up to 10 hours of CPE credit.

Course Level: Basic/Intermediate – No Prerequisites Required –
